To whom it may concern;

I have been a client of Westco Construction Ltd. since 1994, and have used them for a total of five substantial projects valued over \$2,000,000.

As the owner of Green Prairie International and now Broxburn Developments Inc, I strive for excellence in all that I do. It was a pleasure to work with Theo as I can see he operates under the same principals.

Competent, reliable, honest, integral, and under-promise and over deliver are some words I would use to describe this company.

It would have no reservations recommending this company for any projects within his portfolio.

Sincerely yours,
