To Whom It May Concern:

Re: Westco Construction Ltd.

I am writing this reference at the request of Theo Van Ee of Westco Construction Ltd. We advise the following information:

In the past year, Westco Construction Ltd. worked with our office to complete an extensive renovation to our building. The project was completed with good craftsmanship and within budget.

During the course of construction, the management of Westco was at the site regularly to ensure the project was being complete as required and that we were satisfied with the work. Any change orders requested by our office were well documented and signed off on by both parties prior to completion.

We are impressed with how well our building has turned out and the continued care taken by the Westco management team to check up after completion of the project to ensure continued satisfaction. We are even more impressed that all this was done within the agreed upon budget.

I would recommend Westco Construction Ltd. for all your construction needs.

If you have any questions or concerns feel free to contact our office.

Best regards,

David B. Klingenberg
Manager
