RE: Westco Construction Ltd.

Dear Sir/Madam:

MPE Engineering Ltd. recently worked with Westco Construction Ltd. on the GEA Rainey facility in Lethbridge. Westco was very cooperative throughout the project and their Construction Manager (Harry Mueller) in particular was very accommodating and reasonable when dealing with Change Orders.

I would not hesitate working again with Westco on future projects. If you would like to speak further about Westco please contact the undersigned at 403 317-3615

Yours truly,

MPE ENGINEERING LTD.
